DAILY ORAL HYGIENE WHILE DRINKING WATER PROTECTS AGAINST PLAQUE & TARTAR BUILD UP FOR HEALTHIER GUMS & FIGHTS BAD BREATH

We brush our teeth daily. How many of us even try to brush our pet's teeth? How easy would it be if pets could clean their teeth simply by drinking water?

There's a simple solution now – Dental Care by Cat H2O & Dog H2O, designed to provide Daily Oral Hygiene while drinking water. Dental care will slowly dissolve in the drinking water and release ingredients that will help protect against plaque & tartar build up.
